

Dis-Chem Ride for Sight RETINA SOUTH AFRICA

Cycle to Restore The Gift Of Sight

**EVENT
COVID
PROTOCOL**

**The 33rd Dis-Chem
Ride for Sight will take place at the
Boksburg City Stadium on Sunday 20th February 2022.**

We at Retina SA are doing everything possible to ensure a safe and enjoyable ride. This will incorporate the adoption of a ride-through event format together with the implementation of strict COVID protocols.

We are encouraging all participants to be fully COVID vaccine compliant prior to entering. **Fully vaccinated** riders can collect their race numbers on any collection day. They will need to produce their vaccination certificate (not SMS) and ID.

Partially vaccinated (had one Pfizer jab) riders and non-vaccinated riders can only collect their race numbers on Saturday 19 February - the day before the actual race. They will need to provide a valid negative COVID PCR test, not older than 48 hours, or alternatively undergo an on-site Rapid Antigen test at their own expense at collection (R150).

All riders will be screened and have their temperature taken at collection venues.

All riders must register, undergo covid screening and collect race numbers in person before the event.

REGISTRATION VENUES

1. Cycle Lab, Lynnwood, Thursday 17 February 2022 09h00 – 17h00. Fully vaccinated riders only.
 2. Cycle Lab, Fourways, Friday 18 February 2022 09h00 – 17h00. Fully vaccinated riders only.
 3. Cycle Lab, Boksburg, Saturday 19 February 2022 09h00 – 14h00. Fully vaccinated riders can collect. Non-vaccinated and non-fully vaccinated riders can collect on Saturday, but must present a negative COVID PCR test which is no more than 48 hours old or alternatively undergo a Rapid Antigen test on-site (both tests are at own cost).
- All riders must wear a mask until they start and again, as soon as they cross the finish line.
 - We request riders to please stay away if they feel unwell on race day.
 - Late entries will only be available to covid compliant riders.
 - Rapid Antigen test at registration on Saturday only.
 - No spectators and no socialising at and in the vicinity of the venue on race day.
 - We trust that you will support us in the implementation of event protocols which are ultimately focused on the safety and well-being of the individual.
